

Tracing Paper on a Budget

Materials

- 8½ x 11 inch copy paper
- Newsprint
- Cooking oil
- Container
- Sponge brush
- String and clothespins

Steps

1. Place a single sheet of 8½ x 11 inch copy paper on newsprint.
2. Pour cooking oil in a container. Dip the sponge brush in the container and cover the entire sheet of paper with cooking oil.
3. Hang the paper outside on a string with clothespins and allow it to dry for twenty-four hours.
